Cala Gonone

Mini cruise in Cala Gonone

The Mini Cruise is a trip that lasts a whole day and is certainly our most complete excursion. The passengers will admire and take pictures of all the beaches along the way, caves and the most sug-gestive corners of the coast up to Cala Goloritzè beach. It includes three long stops in the most beautiful and famous beaches of the Gulf: Cala Luna, Cala Mariolu and Cala Biriala. Strongly recommended for those who are planning a one-day trip to Cala Gonone to appreciate all the natural beauty of the Gulf of Orosei.

Departures from June to September are scheduled from 9.00 to 17.30.
