Nuraghi and Domus de janas

Tortolì

We will visit the Cea Menhirs still in their original position oriented with the stars. Later, not far from the Menhirs we will visit the wonderful Nuraghe s'Ortali and Su Monte dating back to the 2nd millennium BC.

Lotzorai

Not far away we will discover the Lotzorai Domus de Janas, a necropolis of the VI - IV millennium BC consisting of small caves scattered on a fantastic granite mountain and famous for their legend of the Janas "the fairies".

Osono

Last stop, we will visit the the Giants Tombs of Osono, a typical funerary monument consisting of collective burials belonging to the Nuragic age and present throughout the whole Sardinia, discovered in the early nineties in Osono near Triei.
